### **Statement by Representative Denise Grimsley Regarding Updated General Revenue Estimates Released Today**

**Tallahassee, Fla.** – State Representative Denise Grimsley (R-Sebring), Chairman of the House Appropriations Committee, today released the following statement regarding updated general revenue estimates announced following today's revenue estimating conference.

“During the upcoming 2011 Legislative Session, we will take a close look at Florida's budget to determine how to best allocate our limited resources. Each year we face difficult choices as we move through the appropriations process, but I am confident that we can fulfill our constitutional responsibility to pass a balanced budget, maintain our bond rating and secure adequate reserves without raising taxes on Florida's families and businesses.”
